WHO YOU ARE DEALING WITH

HISUN - The Manufacturer

Established in 1988. Through collaboration with Fuji Heavy Industries of Japan and J & J Technology Consultants of Britain, Hisun has become a world leader in manufacturing off road vehicles to a quality comparable to the best from Japan and USA. Their products have been designed with the demands of the western market in mind and HISUN is now China's largest manufacturer of off road vehicles.

PARKLANDS POWER PRODUCTS - The Importer & Distributor

Established in 1968, and now synonymous with supplying and supporting a wide range of power products including quad bikes and UTVs. Parklands carries an extensive range of spare parts for all product they sell through their nationwide dealer network, and with staff dedicated to the support of the network, you are assured a level of services that end users deserve.
